Section 1: Product and Company Identification

Product Name
Gypsum Board Paper and Joint Tape

Product Identifiers
Gypsum Board Paper
75' Joint Tape
250' Joint Tape
500' Joint Tape

Other means of identification
Wallboard/drywall paper, Drywall tape

Recommended Use
Gypsum Board paper is used for face and back of gypsum board to encase various gypsum cores. Joint tape is used to reinforce gypsum board joints. Use per manufacturer’s recommendations

Restrictions on Use
None

Manufacturer/Supplier Details
National Gypsum Company
2001 Rexford Road
Charlotte, NC  28211

Emergency Telephone Number
Director Quality Services
(704) 551-5820 - 24 Hour Emergency Response
Website:  www.nationalgypsum.com

Section 2: Hazards Identification

United States (US)
According to OSHA 29CFR 1910.1200 (HCS)

GHS Classification of the substance or mixture
Not classified

GHS Label Elements
Pictogram        None
Signal Word     None
Hazard Statements None

Precautionary Statements
Prevention
Use engineering controls and wet methods to minimize dust.

Response
If in eyes, rinse cautiously with water for several minutes. Remove contact lenses, if present and easy to do. Continue rinsing. Get medical attention if exposed or concerned.

Storage
Keep dry to preserve usefulness.

Disposal
Dispose of material in accordance with federal, state, and local regulations.
Section 3: Composition/Information on Ingredients

Section 4: First-Aid Measures

**Inhalation**
Inhalation exposure is unlikely.

**Eye contact**
Do not rub or scratch eyes. Immediately flush eyes with water for 15 minutes.
Remove contact lenses (if applicable). Seek medical attention if irritation persists.

**Skin contact**
Flush and wash skin with soap and water. Utilize lotions to alleviate dryness if present. Seek medical attention if irritation persists.

**Ingestion**
Not expected to occur. Seek medical attention if ingested.

**Medical Conditions aggravated by exposure**
Pre-existing upper respiratory and lung diseases such as, but not limited to, bronchitis, emphysema and asthma. Pre-existing skin diseases such as, but not limited to, rashes and dermatitis.

Section 5: Fire-Fighting Measures

**Extinguishing Media**
Dry chemical, foam, water, or extinguishing media appropriate for surrounding fire.

**Unusual Fire and Explosion Hazards**
Material poses no fire-related hazard.

**Special hazards arising from the mixture**
None known

**Special Protective Equipment and Precautions for Firefighters**
A SCBA is recommended to limit exposures to combustion products when fighting any fire.

Section 6: Accidental Release Measures

**Personal precautions, protective equipment and emergency procedures**
No special precautions required.
General recommendations:
Wear appropriate Personal Protective Equipment. (See Section 8)

**Environmental precautions**
This product does not present an ecological hazard to the environment.
Dispose of in accordance with applicable federal, state, and local regulations.

**Methods and materials for containment and cleaning up**
No specific clean-up procedures necessary. Pick up unused product to prevent tripping hazard.

Section 7: Handling and Storage

**Precautions for safe handling**
Minimize generation of dust.
Provide appropriate exhaust ventilation at places where dust is formed.
Avoid contact with eyes, skin and clothing.
Wear recommended personal protective equipment when handling. (See Section 8)

**Conditions for safe storage, including any incompatibilities**
Store material in a cool, dry, ventilated area, away from excessive heat or sunlight.
Section 8: Exposure Controls/Personal Protection

T- Total Dust  
R- Respirable Dust

Exposure Controls

Appropriate Engineering Controls
Work/Hygiene Practices: Utilize methods to minimize dust production.  
Ventilation: Not required

Personal Protective Equipment

Respiratory Protection
None required

Eye Protection
Safety glasses or goggles.

Skin
Gloves, protective clothing and/or barrier creams may be utilized if conditions warrant.

Section 9: Physical and Chemical Properties

(a) Appearance: White/gray solid paper
(b) Odor: None
(c) Odor threshold: Not available
(d) pH: Not available
(e) Melting point/freezing point: Not Available
(f) Initial boiling point and boiling range: Not Available
(g) Flash point: Not available
(h) Evaporation rate: Not available
(i) Flammability (solid, gas): Not flammable
(j) Upper/lower flammability or explosive limits: Not available
(k) Vapor pressure: Not available
(l) Vapor density: Not available
(m) Relative density: Not available
(n) Solubility(ies): Not available
(o) Partition coefficient: n-octanol/water: Not available
(p) Auto-ignition temperature: Not available
(q) Decomposition temperature: Not available
(r) Viscosity: Not available
(s) Volatile organic compound (VOC) content: None

Section 10: Stability and Reactivity

(a) Reactivity: No data available
(b) Chemical stability: Stable in dry environments
(c) Possibility of hazardous reactions: None known
(d) Conditions to avoid (e.g., static discharge, shock, or vibration): None known
(e) Incompatible materials: None known.
(f) Hazardous decomposition products: None known.
Section 11: Toxicological Information

Information on Toxicological effects
Information on likely routes of exposure
Ingestion         Not a likely route of exposure.
Inhalation        Not a likely route of exposure.
Skin contact      Possible temporary irritation.
Eye contact       Possible mechanical irritation.

Symptoms related to the physical, chemical and toxicological characteristics
Prolonged skin contact may result in temporary irritation.

Toxicological data
No toxicological data is available for this product. Toxicological information for components of this product listed below.

Acute toxicity        Not available
Skin corrosion/irritation Not available
Serious eye damage/eye irritation Not available
Skin sensitization     Not available
Respiratory sensitization Not available
Sensitization          Not available
Mutagenicity           Not available
Carcinogenicity        Not available
Reproductive effects   Not available
Specific target organ toxicity –
single exposure         Not available
Aspiration toxicity    Not available

Section 12: Ecological Information

(a) Ecotoxicity (aquatic and terrestrial, where available): This product does not present an ecological hazard to the environment.
(b) Persistence and degradability: Unknown
(c) Bioaccumulative potential: None known
(d) Mobility in soil: Unknown
(e) Other adverse effects (such as hazardous to the ozone layer): None known

Section 13: Disposal Considerations

This material is not considered a hazardous waste. Dispose of according to Local, State, Federal, and Provincial Environmental Regulations.

Section 14: Transport Information

This product is not a DOT hazardous material
Shipping Name: Same as product name
ICAO/IATA/IMO: Not applicable

Section 15: Regulatory Information

All ingredients are included on the TSCA inventory.
Federal Regulations
SARA Title III: Not listed under Sections 302, 304, and 313
CERCLA: Not listed
RCRA: Not listed
OSHA: Not listed
Section 15: Regulatory Information (Continued)

State Regulations
California Prop 65: Not listed
Canada WHMIS
All components of this product are included in the Canadian Domestic Substances List (DSL).

Section 16: Other Information

SDS Prepared by: National Gypsum Company
2001 Rexford Road
Charlotte, NC  28211
Phone Number: (704) 551-5820
Date of Preparation: March 6, 2015
Revision indicators and Date
Effective Date Change: 6/1/2015             Supersedes: July 1, 2009
Format Changes: Conforms to OSHA 29CFR 1910.1200 (HCS)
